Directions to Complex Carbohydrate Research Center

315 Riverbend Road
Athens, GA 30602

Driving from Atlanta to the CCRC

1. Take I-85 north to GA 316 east (exit Lawrenceville/Athens).
2. Continue on GA 316. As you near Athens, look for the sign that says "Oconee Connector". When driving through the light at this intersection, move into the right lane. This becomes the entrance onto Georgia Loop 10 (signs will say University of Georgia/South Athens).
3. Enter onto the GA Loop 10.
4. Continue on the GA 10 Loop to the College Station Road exit (~5 miles).
5. Take the College Station Road exit and turn right at the bottom of the ramp.
6. Turn right again at the first stoplight onto Riverbend Road.
7. Proceed about 1/4 mile on Riverbend Road. (The road will make a gentle curve to the right then to the left.)
8. Turn left into the CCRC driveway, then immediately right onto the driveway to the main CCRC parking lot. The parking lot driveway runs parallel to Riverbend Road. The CCRC is a large building, partly hidden by trees.
